Gift Aid

GHK RFC has registered as a Community Amateur Sports Club. Donations to the club can be made using Gift Aid, just as if it was a charity. The effect is that where a donation of £100 (net of standard rate tax) is made using Gift Aid the club receives £128. However, the net cost to a higher rate tax payer is only £77 because of the income tax relief he or she gets equivalent to higher rate tax. We would encourage members who make a donation to complete, where appropriate, the Gift Aid Declaration (below) to enable us to reclaim from HM Revenue & Customs the tax credit. A full explanation of the Gift Aid system can be found on the Club website or by contacting the Secretary.

I wish you to treat my enclosed donation as a Gift Aid donation:
I wish you to treat all donations I make to the Club from this point forward (including this donation) as Gift Aid donations:
