

# GHK Mini Rugby

We hope those of you who were at Fintry last week had a good time. The weather was fantastic and it looks like we might get a repeat this weekend.

A few things to note in next couple of weeks.

**13th November** We welcome Lenzie, McLaren and Allan Glens to Old Anniesland this Sunday. Your coaches will advise on team selections and specific arrangements. First kick off is at 12.00. P6 are hosting.

Our kit suppliers PSL will be present for strip sales to take away on the day and for ordering training gear, normally available within 10 days.

Visit [http://www.pslteamsports.com/acatalog/GHK\\_RUGBY.html](http://www.pslteamsports.com/acatalog/GHK_RUGBY.html) to see the full range.

**19th November** GHK 1st XV play Marr in a top of the table clash at Old Anniesland. Kick off 2pm. Do get along to watch the boys as they look to continue their terrific unbeaten run.

**20th November** Mini rugby away to Helensburgh. Strathendrick and Garnock have also been invited. More details to follow once the host club confirms arrangements.

**26th November** GHK 1st XV take on Glasgow Accies at Old Anniesland in the David Gilmore memorial match. This will be another hotly contested match with a big crowd. 3pm ko. Our P5 team will play Accies P5 in a short game before the main event. This will be a fun day (and night?) out so get it in your diary and see press for details.

**27th November** West and GHA at Old Anniesland. P5 hosting.

**4th December.** Weather permitting we have set up a fixture away at Stirling County along with Biggar. We also have the High School Gym booked over December and January for indoor training.
